E-mail _____

SCDC Membership Dues. The official SCDC membership year is from April 1st through March 31st. The dues paid to the SCDC are used to cover operating costs and insurance, and to help fund our regional activities.

RSCDS Membership Dues. Individuals may also elect to join the Royal Scottish Country Dance Society with a membership offered through the New Mexico Branch of the RSCDS. Dues paid to the RSCDS are used to promote Scottish country dancing around the world, through training of instructors and certification of teachers, the collection and publication of dances and music, and sponsoring dance and music workshops either directly or through its various branches. In return you receive a subscription to the semi-annual *Scottish Country Dancer* magazine, a 10% discount on RSCDS products, and access to the members only section of the organization's website www.rscds.org. The necessary username and password will be made available by the branch secretary. The portion of your RSCDS dues, that the New Mexico Branch gets to keep, helps support dancing opportunities for you in New Mexico and Colorado. **These dues are in addition to the SCDC membership dues.**
